EDON SS (freestanding) 	The EDON display is ideally suited for building and hotel lobbies and other architectural environments. The posters are captured between two 5mm thick tempered glass panels. The base is stainless steel with a horizontal brush finish. Patent D529099.	24" x 36"		
EDON (freestanding) 	The EDON display is ideally suited for building and hotel lobbies and other architectural environments. The posters are captured between two 5mm thick tempered glass panels. The base is rugged 14 gauge steel, finished in a tough metallic silver, powder coat paint finish. Patent D529099.	24" x 36"		
Snap Frame Pedestal (freestanding) 	The SnapFrame Pedestal consists of a SnapFrame plus a sturdy aluminum pole system. The frame is attached to the pole with easy to use grips. Add an extra frame to make it double-sided. The display stands at 67" tall and is great for retail, banks, sport complexes, community centres and buildings.	8.5" x 11" 11" x 17" 16" x 24" 22" x 28" 24" x 36"		
OutPost (freestanding) 	The frame is fabricated from cold rolled steel and finished in an exterior grade, powder coat finish. Stainless steel springs tension the weatherproof poster in place. The center pad folds up for easy storage. Patent pending.	24" x 36"		
Roll Up Banner (freestanding) 	Excellent quality and an easy set up make the Roll Up banner a great choice. Finished in anodized silver with a swivel out foot for increased stability. A three folded pole, wedge action top profile, and a carry bag with shoulder strap completes the portable unit.	33" x 78"
